# Theme: Family ... Better Together - Use this as Your Placemat

## Talk, Connect, Celebrate , and Capture Family Memories

Make your **Family Table Time** special by having open and honest conversations to help everyone understand each other better and find solutions together.

***Start with these questions:***

**1 What does “Better Together” mean for our family?**

**2 What role does each person in our family play in making our family better?**

While talking, have each family member write or draw their thoughts on the Family Table Time Placemat. Keep the conversations going on topics that matter most to your family.
